

The Parent Project

Empowering Parents

Transforming Teens

Parents with difficult or out-of-control adolescents ages 11-19, **you are not alone!** Over **500,000 parents** across the country have participated in this FREE program designed to help you become a better parent.

Topics

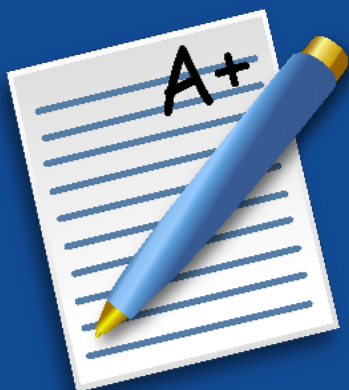

- Arguing and family conflict
- Poor school performance
- Teen alcohol and other drug use
- Runaways
- Early teen sexuality
- Youth gangs
- Teen violence and bullying
- Teen signs and threats of suicide

What will I learn?

- Promoting family unity
- Managing conflict in the home
- Teen sleep and diet habits
- Building positive self concepts
- Expectations, standards and values

Goals

- Reduce family conflict
- Improve school attendance
- Reduce juvenile crime and recidivism
- Higher graduation rates
